About the organizers:

The association "Sentire" is an organisation that has as purposes the development of youth, helping out those who lack opportunities, the integration into society of discriminated young people and encouraging youth initiative. Our organisation has a number of 35 members that come from both urban and rural environments, aged between 18 and 30. It is our wish that through this project, the youth will develop their abilities, attitudes and knowledge base, all of these leading to the expansion of their skill set. Our members had the chance of participating to international projects within Erasmus Plus in most European countries, having accumulated the necessary experience to engage in non-formal activities with the young people. We are working with the youth for cultural, social and economic development. We sustain equal opportunities in our present society.

3. The 42 participants will understand the steps you need to follow to get an interview and will improve communication skills during the interview.
4. At least 80% of participants will apply at least 20 jobs, 70% will be interviewed, and at least 50% will get the job you want.

- For those of you who will come by plane, you will arrive in Bucharest at the Henri Coanda

Airport (OTP)

<http://www.bucharestairports.ro/en>. Use the buses 783 (for main square) and 780 (for train station) to go to the city center (you have ticket vendors in the airport). As advice, do not change too much money inside the airport because the exchange rate is not good. You can use the exchange offices or banks in the center of Bucharest.

- For those of you who will be using other means of transport (e.g. bus or train), please inform us about your arrival in Bucharest so we can further guide you, depending on your place of arrival.

The departure from Bucharest to Horezu (the location of the project) will be made on 05.10.2018 in the evening from Pacii bus station in Bucharest. You can use the metro to get there (Pacii metro station). Depending of your arrival hours to Bucharest, we will inform you about the time of departure from Pacii bus station.

We will reimburse you travel expenses, according to the Erasmus Plus Program rules. We will make the reimbursements during the project by bank transfer into the Sending Organisations account, but we insist that you have all the financial documents in order for making the reimbursement. About Romania:

With a surface area of 238,391 square kilometres (92,043 sq mi), Romania is the largest country in southeastern Europe and the twelfth-largest in Europe. Romania's terrain is distributed roughly equally between mountainous, hilly and lowland territories. The Carpathian Mountains dominate the centre of Romania. The Danube flows into the Black Sea within Romania's territory forming the Danube Delta, the second largest and best preserved delta in Europe, and also a biosphere reserve and a biodiversity World Heritage Site. According to the census data from 2011, Romania's population is about 20 million people. Bucharest is the capital and the largest city in Romania. Romania has four other cities that are among the European Union's 100 most populous: Cluj-Napoca, Timișoara, Iași and Constanța.

What to prepare or bring with you?

1. All your travel documents as presented above (e-ticket, invoice, prove of payment, boarding passes). It is recommended that the participants will make a health insurance for the period of the project, although the cost for insurance can't be reimbursed. Romania is an EU member state, so the cost of health insurance is quite low.

4. Research about rural youth environment categories of people in your country, general attitude towards minorities, examples of good and bad practices in this field, and information about school leaves in your country – Why youth people from rural environment leaves school? We recommend you to prepare and look for this matter before coming in the project.

2. Traditional foods and drinks from your countries. We will organize cultural evenings during the project. You can try to be creative and funny! Can be costumes, ornaments, leaflets, posters, flyers, food, sweets, alcoholic and non-alcoholic drinks .. so and so :) You can present videos, photos, sing music and dance traditional dances from your countries. We count on you to make these evenings as interactive as possible!

5. Information about your organization and activities. We want to get to know each other, to find out how people work with youth in other countries, and maybe to cooperate in the future.

3. Clothes: The weather in October is a rainy, so we recommend to have parkas. Due to the mountain location of the pension, we encourage the participants to take some various clothes with you.
